

At a glance

The Coin and the Planet Money is the driving force that turns the world. However, as humanity constantly pursues wealth, we are also consuming the Earth's valuable resources.

In Time Hong Kong's landscape hidden below a funnel and obscured from top to bottom with an endless flow of sand, heralds that environmental protection is a mission of the utmost urgency. This painting was later exhibited at Enterprise Square Three.

Bubbles of the Future Dolphins swimming in the clear ocean and children embracing the blue sky. This perfect vision can only become reality if everyone does their part in supporting environmental protection.

9 Lives Nine different smiling faces of different ethnicities and nationalities, representing the ultimate ideal of conveying the urgency of environmental protection to the entire world.

賞心悅目

金錢是帶動地球世界各地運行流轉的原動力；然而，人類努力賺取金錢的當兒，正在耗損地球的珍貴資源。

漏斗下潛藏香港的城市景觀，被由上而下的細沙不斷遮蓋，環保是燃眉之急的首要行動。畫作後來於企業廣場三期公開展覽。

海豚於清澈海水中暢泳、小朋友擁抱藍藍的天空；這一切必須來自每一個人對環境的愛護。

九格裏來自不同民族、國家的笑臉，代表著把燃眉的環保行動由香港發放至全世界的最高理想。
